

## MEDICAL KEKCHI and MOPAN

Pronunciation guide:

1. in general, put the accent at the last syllable of a word when speaking.
2. If you see an apostrophe, this denotes a sharp ending or glottal stop
3. “X” is pronounced “SH”, “J” as “H” (like Spanish), “W” as “CU”, “Z” as “TZ”
4. Vowels sound the same as in Spanish, roughly similar to the “short” pronunciation in English.

A like “ahh” I like in “beet” U like in “moose” E like in “egg” O like in “oval”
