UPCOMING WEBINARS FROM CUGH

CONSORTIUM OF UNIVERSITIES FOR GLOBAL HEALTH: PRIORITIES FOR 2016

REGISTER NOW

February 4, 2016 1:00pm Eastern

As we begin the new year, CUGH invites you to join us to learn about our upcoming activities for 2016 and 2017. Dr. Timothy Brewer, Chair of our Board and Dr. Keith Martin, our Executive Director, will be hosting the webinar. They will discuss CUGH’s priorities, take questions from viewers and provide an opportunity for you to share with us how CUGH can better serve the needs of your organization and address the global health challenges before us. This webinar is open to CUGH members and non-members.

INTERPROFESSIONAL GLOBAL HEALTH COMPETENCIES: EXPLORING CONSENSUS AND CONTROVERSIES

Presented by the Education Committee of CUGH

REGISTER NOW

February 10, 2016 1:00pm Eastern

What student development are we aiming for in global health education? How do we assess learner growth that requires demonstration, consistency, and varying contexts? What controversies exist in global health competencies that every educator should be aware of?

Join this webinar to learn more about competency development, assessment, and theory. This interactive session is essential anyone creating, revamping, or expanding global health programs at undergraduate and graduate levels.
